

GROCERY GIFT CARD FUNDRAISING PROGRAM

We are selling grocery gift cards from Sobeys, Save On Foods and Superstore. Safeway cards will only be available starting in October as that is when their annual drive begins each year. Gift cards can be bought in denominations of \$25, \$50 or \$100 and in some cases \$250 denominations. Families will receive 4% of the amount of gift cards they purchase. This will go directly into each student's "account" and when it comes time to register for Spirit 2011, monies in your account will go directly towards your own registration fees. So talk to Grandma, aunts, uncles and friends so that you can get the maximum benefit from this fundraiser!

Thanks to two of our students who put up the money, we do have the gift cards on hand, so unless we sell out prior to the next order coming in, you should be able to get your gift cards the day you order them. The only snag will be that on the odd day, there may be no one in the office to help you which could happen on a Tuesday or Friday. However, if you email Sempai Janet at desakarate@shaw.ca at least one day in advance, she will ensure your gift cards are waiting for you at the office even if she is not going to be there. Sempai Melissa and Sempai Pat will also be able to assist you.

Please print off the order forms below and attach one with payment each time you order. We accept cash or **cheques made out to SPIRIT.**
