- For new students, arrangements should be made to come to the St. Albert dojo to register, pay and get fitted for a uniform. Reminder that payment options are now just etransfer or cash. New students will be sent a different registration form for their first session so we can get all the identification info we need on file

Uniforms are mandatory and are \$52 for children and between \$65-78 for teen/adults depending on size.

If you have been away for a bit from training or if you were just fitting your gi at the end of the last session, please make sure you try on your uniform so that if a new one is needed we can make arrangements prior to the start date to get one.
